

ERMIYAS NEGA

Software Developer — Full-Stack & Mobile

+251 942 386 766 | ermiyasnega4@gmail.com | Ethiopia | [LinkedIn](#) | [GitHub](#)

PROFILE

Computer Science graduate from the University of Gondar (CGPA: 3.63/4.00) with hands-on experience as a Junior Software Development Intern at CDHI. Skilled in building scalable web and mobile applications using the MERN stack, React Native, JavaScript, and TypeScript, with a strong interest in AI-powered applications and modern software engineering.

SKILLS

Technical: JavaScript, TypeScript, React.js, React Native, Node.js, Express.js, MongoDB, Firebase, REST APIs, Expo, Git, GitHub, Postman, Android Studio, VS Code

Professional: Problem Solving, Teamwork & Collaboration, Communication, Critical Thinking, Adaptability, Time Management, Attention to Detail, Fast Learner

WORK EXPERIENCE

Junior Software Development Intern — CDHI

- Assisted in software development and application testing
- Installed, configured, and deployed software applications
- Performed hardware installation, maintenance, and troubleshooting
- Provided technical support for software and hardware systems, diagnosing and resolving issues to ensure smooth operation
- Collaborated with technical teams to improve system performance and reliability

PROJECTS

Health Corner — AI-Integrated Healthcare Support System

MERN Stack · React Native · AI Integration

- Developed an AI-assisted preventive healthcare support system focused on family wellness
- Built modules for activity tracking, nutrition management, sleep monitoring, women's health, children's health, reminders, and healthcare facility location

Galaxy Play — AI-Powered Offline Music Player

React Native · Android · AI-Powered

- Designed and developed an AI-powered offline music player for Android
- Implemented intelligent music organization, synchronized lyrics, album artwork management, and a modern mobile UI

TaskFlow — Full-Stack Productivity Mobile App

Full-Stack · Productivity · Mobile App

- Developed a productivity and task management application
- Implemented task scheduling, reminders, progress tracking, and user-friendly task organization features

EDUCATION

Bachelor of Science (B.Sc.) in Computer Science

University of Gondar | CGPA: 3.63 / 4.00
